HOW TO USE THE REGISTRY

The City and County of San Francisco uses a competitive bidding system to purchase the materials, supplies, equipment and services used by various City departments. To bid on an item listed, vendors must come to the Purchasing Department, Room 270, City Hall to pick up copies of bid documents. Documents should be requested by bid number.

Four (4) digit bid numbers identify contract documents called QUOTATIONS and are generally under \$10,000. Four digits followed by "PM" are over \$10,000.

Five (5) digit bid numbers identify documents called PROPOSALS, are for a specific term, and are over \$50,000.

Three (3) digit bid numbers are for specific items and definite quantities.

Quantities and a more detailed description of the commodity or service being purchased are shown on the bid document itself. Completed bids should be returned in the envelope provided no later than the date and time indicated on the document. Bids are opened publicly and vendors may be present at the opening.

To bid on the Construction, Lease, Concession and Consultant contracts, prospective bidders should call the contact person listed to obtain bid documents and/or requests for proposal.

**PURCHASING DEPARTMENT**  
Minority Business Development Program

December 18, 1985

Dear Reader:

We are coming to the end of the first year of publication of our weekly newsletter, "Bid and Contract Opportunities". We hope that you have used the newsletter during the year to learn more about the department and how to do business with the City. In addition we hope that it has provided you with timely information on business opportunities in the City.

The Purchasing Department buys a wide variety of goods and services which our first year's statistics indicate are being purchased from an increasing number of minority and woman-owned companies. We hope that our seminars, our workshops, our newsletter and some the things we have done together have contributed to this positive trend. We're at your service. Let's continue to work together next year.

There will be no newsletters published during the Christmas holidays. The next date of publication will be January 10, 1986.

The staff of the Minority Business Development Program wishes you a "Merry Christmas and Happy New Year".

\*  
\* HOW TO USE THE REGISTRY \*  
\*  
\*

\* The City and County of San Francisco uses a competitive bid-  
\* ding system to purchase the materials, supplies, equipment  
\* and services used by various City departments. To bid on an  
\* item listed, vendors must come to the Purchasing Department,  
\* Room 270, City Hall to pick up copies of bid documents.  
\* Documents should be requested by bid number.  
\*

\* Four (4) digit bid numbers identify contract documents  
\* called QUOTATIONS and are generally under \$10,000. Four digits  
\* followed by "PM" are over \$10,000.  
\*

\* Five (5) digit bid numbers identify documents called  
\* PROPOSALS, are for a specific term, and are over \$50,000.  
\*

\* Three (3) digit bid numbers are for specific items and  
\* definite quantities.  
\*

\* Quantities and a more detailed description of the commodity or  
\* service being purchased are shown on the bid document itself.  
\* Completed bids should be returned in the envelope provided no  
\* later than the date and time indicated on the document. Bids  
\* are opened publicly and vendors may be present at the opening.  
\*

\* To bid on the Construction, Lease, Concession and Consultant  
\* contracts, prospective bidders should call the contact person  
\* listed to obtain bid documents and/or requests for proposal.  
\*

HOW TO USE THE REGISTRY

\* \* \* \* \*

The City and County of San Francisco uses a competitive bidding system to purchase the materials, supplies, equipment and services used by various City departments. To bid on an item listed, vendors must come to the Purchasing Department, Room 270, City Hall to pick up copies of bid documents. Documents should be requested by bid number.

Four (4) digit bid numbers identify contract documents called QUOTATIONS and are generally under \$10,000. Four digits followed by "PM" are over \$10,000.

Five (5) digit bid numbers identify documents called PROPOSALS, are for a specific term, and are over \$50,000.

Three (3) digit bid numbers are for specific items and definite quantities.

Quantities and a more detailed description of the commodity or service being purchased are shown on the bid document itself. Completed bids should be returned in the envelope provided no later than the date and time indicated on the document. Bids are opened publicly and vendors may be present at the opening.

To bid on the Construction, Lease, Concession and Consultant contracts, prospective bidders should call the contact person listed to obtain bid documents and/or requests for proposal.

**IMMEDIATE ACTION**

**MEMORANDUM**

TO: Marvin Geistlinger, Director  
Purchasing and Services

FROM: Adelbert L. Campbell, Manager  
Minority Business Development Program *ALC*

SUBJECT: Ordinance Requiring New Contractors to  
Hire Employees of the Previous Contractor

At the last meeting of the Advisory Committee on Minority/Women Business Enterprises of the Human Rights Commission, the committee took a strong stand against a new ordinance which proposes that a new private contractor for certain services performed on City property (such as Janitorial Services and Security Patrol Services) would be required to hire the employees of the previous contractor at the same salary with the same benefits. The committee felt that the new law as proposed would harm small minority and women vendors who wanted to bid on those type contracts.

The committee wrote to the Board to express its objections to the law. Individual committee members contacted potential contractors and asked them to appear at the February 3rd Board of Supervisors meeting to forestall the final passage of the ordinance.

The outcome was a four week postponement of any Board action. In the meantime, the committee is trying to get the word out to all small, minority, and women vendors to try to assure a large attendance at the Board of Supervisors' meeting, Monday, March 3, 1986, at 2:00 p.m. MBEs/WBEs need to show their support for the MBE/WBE legislation which is being threatened by this new law. They are also urging people to write or call members of the Board of Supervisors.

This matter is of grave importance to our program. I am sure we can count on your support at the meeting on March 3rd.

HOW TO USE THE REGISTRY

The City and County of San Francisco uses a competitive bidding system to purchase the materials, supplies, equipment and services used by various City departments. To bid on an item listed, vendors must come to the Purchasing Department, Room 270, City Hall to pick up copies of bid documents. Documents should be requested by bid number.

Four (4) digit bid numbers identify contract documents called QUOTATIONS and are generally under \$10,000. Four digits followed by "PM" are over \$10,000.

Five (5) digit bid numbers identify documents called PROPOSALS, are for a specific term, and are over \$50,000.

Three (3) digit bid numbers are for specific items and definite quantities.

Quantities and a more detailed description of the commodity or service being purchased are shown on the bid document itself. Completed bids should be returned in the envelope provided no later than the date and time indicated on the document. Bids are opened publicly and vendors may be present at the opening.

To bid on the Construction, Lease, Concession and Consultant contracts, prospective bidders should call the contact person listed to obtain bid documents and/or requests for proposal.

March 12, 1986

Dear Reader:

About 3 weeks ago, we told you about a piece of legislation pending before the Board of Supervisors which proposes that a new private contractor for certain services performed on city property (such as janitorial, accounting, and security guard) would be required to hire employees of the previous contractor at the same salary with the same benefits. We have been told by many MBE's and WBE's that such a law would virtually eliminate them from competition because they couldn't hire their own labor force, and secondly, because they would not be able to get accurate salary information from the incumbent contractor in order to bid and adequately compete against him.

If you have not already contacted members of the Board of Supervisors on this matter, you may still have a chance to express your views. You could call various Board members before 2 P.M., on Monday, March 17, 1986, or more importantly, you could appear at the Board meeting at which this issue will come to a final vote on Monday, March 17, 1986, at 2 P.M.

Your support against this legislation is needed. Tell a friend.

Yours truly,

A handwritten signature in dark ink, appearing to read "Adelbert L. Campbell".

City and County of San Francisco  
PURCHASING DEPARTMENT  
Minority Business Development Program  
Room 270, City Hall  
San Francisco, CA 94102

The City and County of San Francisco uses a competitive bidding system to purchase the materials, supplies, equipment and services used by various City departments. To bid on an item listed, vendors must come to the Purchasing Department, Room 270, City Hall to pick up copies of bid documents. Documents should be requested by bid number.

Four (4) digit bid numbers identify contract documents called QUOTATIONS and are generally under \$10,000. Four digits followed by "PM" are over \$10,000.

Five (5) digit bid numbers identify documents called PROPOSALS, are for a specific term, and are over \$50,000.

Three (3) digit bid numbers are for specific items and definite quantities.

Quantities and a more detailed description of the commodity or service being purchased are shown on the bid document itself. Completed bids should be returned in the envelope provided no later than the date and time indicated on the document. Bids are opened publicly and vendors may be present at the opening.

To bid on the Construction, Lease, Concession and Consultant contracts, prospective bidders should call the contact person listed to obtain bid documents and/or requests for proposal.

# COMERCIANTES:

FUTURE BUSINESS LEADERS

**THE NATIONAL HISPANIC UNIVERSITY**

255 First 14th St., Oakland, CA 94606 (415) 451-0511

Funded By: Minority Business Development Agency, U.S. Dept. of Commerce

## THE NATIONAL HISPANIC UNIVERSITY

The National Hispanic University was authorized on December 7, 1981 as an independent, not for profit, degree-granting postsecondary educational institution by the California Office of Private Postsecondary Education. On May 5, 1985 the Private Postsecondary Education Division of the California State Department of Education granted The NHU "Full Institutional Approval as a California Degree-Granting Institution."

**PURPOSE:** The primary purpose of The National Hispanic University is to provide private, traditional higher education programs of quality in Education, Engineering, Business Administration, and Health Care careers for individuals whose professional goals may require a multicultural or multilingual knowledge, expertise, or perspective.

### THE COMERCIANTES PROGRAM

The Comerciantes Program (Business Persons) is a demonstration program funded by the Minority Business Development Agency (MBDA) of the U.S. Department of Commerce to conduct business awareness activities for Hispanic youth. Business awareness in the Hispanic community is greatly needed to motivate students early in their planning of a future career. Students develop a plan or "road map" for reaching their career goals. Students are expected to help themselves so later they can contribute and help others.

### WHAT DOES THE COMERCIANTES PROGRAM OFFER?

The National Hispanic University, through the Comerciantes Program, conducts a program of education for Hispanic youth to:

- Develop awareness of business opportunities and challenges;
- Promote development of self-identification as entrepreneurs through exposure to successful role models;
- Discuss cultural factors which can help Hispanics succeed in business, and those factors which might hold them back;
- Help develop awareness of support systems;
- Help develop awareness of career counseling opportunities available to Hispanic youth;
- Develop a career plan.

FOR MORE INFORMATION... on how your local community and school district can become involved in the exciting educational activities that can prepare the youth in your community to become aware of business opportunities and prepare a career plan for their future....

HOW TO USE THE REGISTRY

The City and County of San Francisco uses a competitive bidding system to purchase the materials, supplies, equipment and services used by various City departments. To bid on an item listed, vendors must come to the Purchasing Department, Room 270, City Hall to pick up copies of bid documents. Documents should be requested by bid number.

Four (4) digit bid numbers identify contract documents called QUOTATIONS and are generally under \$10,000. Four digits followed by "PM" are over \$10,000.

Five (5) digit bid numbers identify documents called PROPOSALS, are for a specific term, and are over \$50,000.

Three (3) digit bid numbers are for specific items and definite quantities.

Quantities and a more detailed description of the commodity or service being purchased are shown on the bid document itself. Completed bids should be returned in the envelope provided no later than the date and time indicated on the document. Bids are opened publicly and vendors may be present at the opening.

To bid on the Construction, Lease, Concession and Consultant contracts, prospective bidders should call the contact person listed to obtain bid documents and/or requests for proposal.

HOW TO USE THE REGISTRY

\* The City and County of San Francisco uses a competitive bid-  
\* ding system to purchase the materials, supplies, equipment  
\* and aervices used by various City departments. To bid on an  
\* item listed, vendors must come to the Purchasing Department,  
\* Room 270, City Hall to pick up copies of bid documents.  
\* Documents should be requested by bid number.  
\*

Four (4) digit bid numbers identify contract documents called QUOTATIONS and are generally under \$10,000. Four digits followed by "PM" are over \$10,000.

Five (5) digit bid numbers identify documents called  
PROPOSALS, are for a specific term, and are over \$50,000.

\* Three (3) digit bid numbers are for specific items and  
\* definite quantities.  
+

\* Quantities and a more detailed description of the commodity or  
\* service being purchased are shown on the bid document itself.  
\* Completed bids should be returned in the envelope provided no  
\* later than the date and time indicated on the document. Bids  
\* are opened publicly and vendors may be present at the opening.

HOW TO USE THE REGISTRY

The City and County of San Francisco uses a competitive bidding system to purchase the materials, supplies, equipment and services used by various City departments. To bid on an item listed, vendors must come to the Purchasing Department, Room 270, City Hall to pick up copies of bid documents. Documents should be requested by bid number.

Four (4) digit bid numbers identify contract documents called QUOTATIONS and are generally under \$10,000. Four digits followed by "PM" are over \$10,000.

Five (5) digit bid numbers identify documents called PROPOSALS, are for a specific term, and are over \$50,000.

Three (3) digit bid numbers are for specific items and definite quantities.

Quantities and a more detailed description of the commodity or service being purchased are shown on the bid document itself. Completed bids should be returned in the envelope provided no later than the date and time indicated on the document. Bids are opened publicly and vendors may be present at the opening.

To bid on the Construction, Lease, Concession and Consultant contracts, prospective bidders should call the contact person listed to obtain bid documents and/or requests for proposal.

N/A TRANSIT SHELTER PROGRAM REQUEST FOR PROPOSALS. The San Francisco Public Utilities Commission is issuing a Request for Proposals (RFP) to private firms to build and maintain a minimum of 350, maximum of 1000 bus shelters for the Municipal Railway. The contractor would bear full cost of the program and, in return, would be allowed to utilize one 4'x6' panel of the shelter for the sale of advertising in those areas approved for display of advertising signs. In order to bid on the RFP, all potential vendors must be prequalified by the Commission and have their MBE/WBE applications certified by the Director of the Human Rights Commission. All questions regarding the Request for Proposals or prequalification procedures should be directed to Mark Weisman at (415) 558-2075. Copies of the RFP are available through Romaine Boldridge, Room 287, City Hall, (415) 558-4986. The Commission will accept comments on the RFP in writing to Mark Weisman, PUC Planning Department, 425 Mason Street, 4th Floor, San Francisco, CA, 94102, until July 1, 1986. Based on the comments received, the Commission may choose to amend the RFP at its meeting on July 22. (New)

HOW TO USE THE REGISTRY

The City and County of San Francisco uses a competitive bidding system to purchase the materials, supplies, equipment and services used by various City departments. To bid on an item listed, vendors must come to the Purchasing Department, Room 270, City Hall to pick up copies of bid documents. Documents should be requested by bid number.

Four (4) digit bid numbers identify contract documents called QUOTATIONS and are generally under \$25,000. Four digits followed by "PM" are over \$25,000.

Five (5) digit bid numbers identify documents called PROPOSALS, are for a specific term, and are over \$50,000.

Three (3) digit bid numbers are for specific items and definite quantities.

Quantities and a more detailed description of the commodity or service being purchased are shown on the bid document itself. Completed bids should be returned in the envelope provided no later than the date and time indicated on the document. Bids are opened publicly and vendors may be present at the opening.

City and County of San Francisco  
PURCHASING DEPARTMENT

The City and County of San Francisco uses a competitive bidding system to purchase the materials, supplies, equipment and services used by various City departments. To bid on an item listed, vendors must come to the Purchasing Department, Room 270, City Hall to pick up copies of bid documents. Documents should be requested by bid number.

Four (4) digit bid numbers identify contract documents called QUOTATIONS and are generally under \$25,000. Four digits followed by "PM" are over \$25,000.

Five (5) digit bid numbers identify documents called PROPOSALS, are for a specific term, and are over \$50,000.

Three (3) digit bid numbers are for specific items and definite quantities.

Quantities and a more detailed description of the commodity or service being purchased are shown on the bid document itself. Completed bids should be returned in the envelope provided no later than the date and time indicated on the document. Bids are opened publicly and vendors may be present at the opening.

To bid on the Construction, Lease, Concession and Consultant contracts, prospective bidders should call the contact person listed to obtain bid documents and/or requests for proposal.

## HOW TO USE THE REGISTRY

The City and County of San Francisco uses a competitive bidding system to purchase the materials, supplies, equipment and services used by various City departments. To bid on an item listed, vendors must come to the Purchasing Department, Room 270, City Hall to pick up copies of bid documents. Documents should be requested by bid number.

Four (4) digit bid numbers identify contract documents called QUOTATIONS and are generally under \$10,000. Four digits followed by "PM" are over \$10,000.

Five (5) digit bid numbers identify documents called PROPOSALS, are for a specific term, and are over \$50,000.

Three (3) digit bid numbers are for specific items and definite quantities.

Quantities and a more detailed description of the commodity or service being purchased are shown on the bid document itself. Completed bids should be returned in the envelope provided no later than the date and time indicated on the document. Bids are opened publicly and vendors may be present at the opening.

To bid on the Construction, Lease, Concession and Consultant contracts, prospective bidders should call the contact person listed to obtain bid documents and/or requests for proposal.

HOW TO USE THE REGISTRY  
★

★ The City and County of San Francisco uses a competitive bid-  
★ ding system to purchase the materials, supplies, equipment  
★ and services used by various City departments. To bid on an  
★ item listed, vendors must come to the Purchasing Department,  
★ Room 270, City Hall to pick up copies of bid documents.  
★ Documents should be requested by bid number.  
★

★ Four (4) digit bid numbers identify contract documents  
★ called QUOTATIONS and are generally under \$10,000. Four digits  
★ followed by "PM" are over \$10,000.  
★

★ Five (5) digit bid numbers identify documents called  
★ PROPOSALS, are for a specific term, and are over \$50,000.  
★

★ Three (3) digit bid numbers are for specific items and  
★ definite quantities.  
★

★ Quantities and a more detailed description of the commodity or  
★ service being purchased are shown on the bid document itself.  
★ Completed bids should be returned in the envelope provided no  
★ later than the date and time indicated on the document. Bids  
★ are opened publicly and vendors may be present at the opening.  
★

★ To bid on the Construction, Lease, Concession and Consultant  
★ contracts, prospective bidders should call the contact person

#### HOW TO USE THE REGISTRY

This City and County of San Francisco uses a competitive bidding system to purchase the materials, supplies, equipment and services used by various City departments. To bid on an item listed, vendors must come to the Purchasing Department, Room 270, City Hall to pick up copies of bid documents. Documents should be requested by bid number.

Four (4) digit bid numbers identify contract documents called QUOTATIONS and are generally under \$10,000. Four digits followed by "PM" are over \$10,000.

Five (5) digit bid numbers identify documents called PROPOSALS, are for a specific term, and are over \$50,000.

Three (3) digit bid numbers are for specific items and definite quantities.

Quantities and a more detailed description of the commodity or service being purchased are shown on the bid document itself. Completed bids should be returned in the envelope provided no later than the date and time indicated on the document. Bids are opened publicly and vendors may be present at the opening.

To bid on the Construction, Lease, Concession and Consultant contracts, prospective bidders should call the contact person listed to obtain bid documents and/or requests for proposal.

City and County of San Francisco  
PURCHASING DEPARTMENT  
Minority Business Development Program  
Room 270, City Hall  
San Francisco, CA 94102

The City and County of San Francisco uses a competitive bidding system to purchase the materials, supplies, equipment and services used by various City departments. To bid on an item listed, vendors must come to the Purchasing Department, Room 270, City Hall to pick up copies of bid documents. Documents should be requested by bid number.

Four (4) digit bid numbers identify contract documents called QUOTATIONS and are generally under \$10,000. Four digits followed by "PM" are over \$10,000.

Five (5) digit bid numbers identify documents called PROPOSALS, are for a specific term, and are over \$50,000.

Three (3) digit bid numbers are for specific items and definite quantities.

Quantities and a more detailed description of the commodity or service being purchased are shown on the bid document itself. Completed bids should be returned in the envelope provided no later than the date and time indicated on the document. Bids are opened publicly and vendors may be present at the opening.

To bid on the Construction, Lease, Concession and Consultant contracts, prospective bidders should call the contact person listed to obtain bid documents and/or requests for proposal.

City and County of San Francisco  
PURCHASING DEPARTMENT  
Minority Business Development Program  
Room 270, City Hall  
San Francisco, CA 94102

The City and County of San Francisco uses a competitive bidding system to purchase the materials, supplies, equipment and services used by various City departments. To bid on an item listed, vendors must come to the Purchasing Department, Room 270, City Hall to pick up copies of bid documents. Documents should be requested by bid number.

Four (4) digit bid numbers identify contract documents called QUOTATIONS and are generally under \$10,000. Four digits followed by "PM" are over \$10,000.

Five (5) digit bid numbers identify documents called PROPOSALS, are for a specific term, and are over \$50,000.

Three (3) digit bid numbers are for specific items and definite quantities.

Quantities and a more detailed description of the commodity or service being purchased are shown on the bid document itself. Completed bids should be returned in the envelope provided no later than the date and time indicated on the document. Bids are opened publicly and vendors may be present at the opening.

To bid on the Construction, Lease, Concession and Consultant contracts, prospective bidders should call the contact person listed to obtain bid documents and/or requests for proposal.

**Minority Business Development Program**

NOTICE

**IMPORTANT PROCUREMENT OPPORTUNITY FOR MINORITY BUSINESSES**

The LATIN AMERICAN MANUFACTURERS ASSOCIATION, a national association of minority-owned manufacturing and high technology firms, has recently been awarded a grant from the Department of Commerce, Minority Business Development Agency, to undertake a strategic marketing effort to involve minority firms in the development stages of a major weapons system. The Air Force's C-17 Strategic Transport development program has been targeted for this effort.

The Association (LAMA) expects to establish a Task Force with McDonnell Douglas to coordinate the involvement of MBEs in the C-17 project and will be hosting a comprehensive briefing on the project in the near future. The LAMA will also be forming an MBE Industrial Advisory Council as a vehicle for interested MBEs to provide input to LAMA on the implementation of the C-17 initiative.

The Project is endeavoring to identify minority firms which may have a meaningful prospect of participating in the building of the C-17 as subcontractors, and is looking for firms in the following areas:

Precision Hardware  
Electronics  
Systems Engineering  
Information/Computer Sciences

If you are interested in the initiative, please contact LAMA directly at the following address.

San Francisco, CA 94102

## HOW TO USE THE REGISTRY

The City and County of San Francisco uses a competitive bidding system to purchase the materials, supplies, equipment and services used by various City departments. To bid on an item listed, vendors must come to the Purchasing Department, Room 270, City Hall to pick up copies of bid documents. Documents should be requested by bid number.

Four (4) digit bid numbers identify contract documents called QUOTATIONS and are generally under \$10,000. Four digits followed by "PM" are over \$10,000.

Five (5) digit bid numbers identify documents called PROPOSALS, are for a specific term, and are over \$50,000.

Three (3) digit bid numbers are for specific items and definite quantities.

Quantities and a more detailed description of the commodity or service being purchased are shown on the bid document itself. Completed bids should be returned in the envelope provided no later than the date and time indicated on the document. Bids are opened publicly and vendors may be present at the opening.

To bid on the Construction, Lease, Concession and Consultant contracts, prospective bidders should call the contact person listed to obtain bid documents and/or requests for proposal.

**CITY AND COUNTY OF SAN FRANCISCO  
PURCHASING DEPARTMENT  
Minority Business Development Program  
Room 270, City Hall  
San Francisco, CA 94102**

The City and County of San Francisco uses a competitive bidding system to purchase the materials, supplies, equipment and services used by various City departments. To bid on an item listed, vendors must come to the Purchasing Department, Room 270, City Hall to pick up copies of bid documents. Documenta should be requested by bid number.

Four (4) digit bid numbers identify contract documents called QUOTATIONS and are generally under \$10,000. Four digits followed by "PM" are over \$10,000.

Five (5) digit bid numbers identify documents called PROPOSALS, are for a specific term, and are over \$50,000.

Three (3) digit bid numbers are for specific items and definite quantities.

Quantities and a more detailed description of the commodity or service being purchased are shown on the bid document itself. Completed bids should be returned in the envelope provided no later than the date and time indicated on the document. Bids are opened publicly and vendors may be present at the opening.

To bid on the Construction, Lease, Concession and Consultant contracts, prospective bidders should call the contact person listed to obtain bid documents and/or requests for proposal.

Dear Reader:

We are coming to the end of the second year of publication of our weekly newsletter, Bid and Contract Opportunities. We hope that you have used the newsletter during the year to learn more about the department and how to do business with the City. In addition, we hope that it has provided you with timely information on business opportunities in the City.

The Purchasing Department buys a wide variety of goods and services which our statistics indicate are being purchased from an increasing number of minority and woman-owned companies. We hope that our newsletter has contributed to this positive trend.

There will be no newsletters published during the Christmas holidays. The next date of publication will be January 9, 1987.

The staff of the Minority Business Development Program wishes you a "Merry Christmas and a Happy New Year"

Sincerely,

A handwritten signature in dark ink, appearing to read "M. H. Geistlinger".
